

PATENTED STAINLESS STEEL HOLDER FOR RAZOR BLADES OFFERING MANY ADVANTAGES

CAUTION : THE MATFER BLADES ARE SLICING TOOLS AND AS WITH ALL SLICING TOOLS THEY MUST BE HANDLED WITH CARE. THEY MUST NOT BE LEFT WITHIN REACH OF CHILDREN.

LAM'PLUS BAKER'S BLADE WITH REPLACEABLE BLADE

Product designed by the baker Jean-Christian Horel, and manufactured by Matfer.

- Special stainless steel holder can be turned in all directions to suit the hand and movement of each baker : the 4 corners of each blade can be used.
- Blade cover for safe usage, providing protection from the 2 rear corners of the blade. Blades are held firmly in place.
- Extra flat shape designed to avoid the dough sticking to it.
- Lightweight and easy to assemble.
