# GASTRONORM WOOD CRATES

Add a touch of rustic charm to your buffet setting with our new Gastronorm Wood Crates. Wood Crates feature integrated, cut-out handles for easy transportation and are the perfect size to fit full and half size gastronorm pans for quick and easy clean-up. Available in natural Acacia wood or black painted wood to match any décor.

- Considerable care and use instructions are needed with these designs. Wash prior to first use; hand wash only. Not dishwasher safe. Do not soak. Always thoroughly dry immediately after use. Store in dry conditions to maximize the life of these pieces.
