

CONVEYOR TOASTERS & OVENS

Explore CONVEYOR TOASTERS & OVENS

A TOAST, TO TOAST.

Cheers to a new collection of conveyor toasters and ovens from Vollrath. No stranger to the kitchen, as the #1 rated restaurant supplier, we're bringing an even more complete line of professional solutions to the table. From toast and bagels to pizza and toasted sandwiches, find out why the restaurant world has even more reason to celebrate.

VISIT VOLLRATH.COM/TOAST

CONVEYOR PIZZA OVENS

Provide precise and repeatable results for baking fresh dough and par-baked pizzas, flat breads, calzones, and garlic or cheese bread. They offer flexibility and convenience for operations that offer pizza in addition to other menu items.

CONVEYOR TOASTERS

Forced convection and energy-efficient quartz heaters provide even and fast toasting. The complete line includes units for a wide variety of applications. Choose a toaster that meets your needs for standard toast as well as buns, bagels, and other specialty bread items.

CHEESE MELTERS/ FINISHING OVENS

Great for melting cheese on top of a variety of menu items as well as finishing entrées.

CONTACT TOASTER

Saves space on the flat-top by quickly and consistently toasting high volumes of buns. The dual-sided platen provides perfect toasting that helps keep buns from getting soggy, making this unit ideal for burger chains. (Image not shown)

CONVEYOR SANDWICH OVENS

Deliver consistently toasted bread while melting cheese and warming meat. Units available for low- or high-volume applications, such as sandwich shops.

Conveyor Toasters

- Forced convection toasting promotes uniform results and energy efficiency
- Most models have energy-efficient, fast-reacting quartz heaters
- Standby mode saves up to 75 percent energy during slow periods when unit is not in use and allows unit to quickly return to full power
- Variable speed control to achieve desired color
- Maintenance-free drive system; stainless steel drive chain does not require lubrication
