

DANTE SERIES STANDARD-PROFILE COUNTERTOP CHARBROILERS

SERIES: C-RS

Bakers Pride® C-RS series charbroilers feature a standard-profile design and 15,000 BTU burners for energy efficiency and broiling performance. Models come in a range of sizes from 24" to 72" wide. Stainless steel radiants come standard, as do steel floating rod grates, which may be adjusted in four separate titling positions for increased flexibility and temperature control.

A continuously lit, cross-over pilot tube system makes lighting burners quick and easy. Fully insulated, double walls help with heat retention, while stainless steel interior and exterior construction makes this charbroiler both durable and easy to clean.

This series also offers many options to suit your needs, such as a natural woodsmoke essence box or Glo-Stones for enhanced flavor and work decks for added convenience.

FEATURES AT A GLANCE

- **C-RS Radiant - V-shaped radiant for each burner**
- **C-RS Glo-Stones - Ceramic coal screen**
- **Burners are controlled with a single valve**
- **Natural gas or liquid propane**
- **Steel floating rod grates (standard) or cast-iron or meat grates**
- **Continuously lit crossover pilot tube**
- **Double-walled, fully insulated construction**
- **Stainless steel exterior, interior, and combustion chamber**
- **Stainless steel radiants**
- **3/4" NPT rear gas connection**
- **Towel bar**
- **One-year limited warranty**

OPTIONS & ACCESSORIES

- **Cast-iron radiants**
- **Glo-Stones**
- **Natural woodsmoke essence box**
- **Cut-outs in 10" work deck**
- **Gas connector hose**
- **Stainless steel splash guard**
- **Overhead back shelves**
- **Warming rack**
- **10" work deck**
- **Stand with casters**
- **High output burners**
