

SILIKOMART ZEN

Sinuuous and perfect lines, just as those of nature, distinguish ZEN the exclusive shapes by Silikomart Professional characterized by great flexibility and unique design. Beauty and simplicity merge with experience and creativity in these molds, a perfect balance between harmony and proportions. The single molds come with a functional cutter to make original inserts and/or supporting bases perfectly combinable with ZEN shape. ZEN molds enable you to make semifreddos, mousses and baked creations with a perfectly delineated shape, like the one of a pebble smoothed by water.
